[Sussex Development Corporation](http://www.sussexdevelopment.com) has been in business for over 23 years and specializes in the development and construction of multi-detail commercial and industrial projects in the Mid-Atlantic region. Our completed project list includes [health care](#) centers, recreational facilities, office buildings, banking facilities, warehouses, hotels, and schools. We are a company created and staffed by people with long associations and solid reputations in the development and construction industry. Our partners and clients trust us to guarantee quality from initial concept to final occupancy. We match our skills and experience with your vision – and your insistence on excellence. Our management team selects the most talented team members then demands quality in standards, ensures attention to detail, and pledges respect for your budgets and deadlines.
